

Common Good Glasgow Minutes Wednesday 22 May 13 1pm Elder Farm

Present :

Bob Hamilton - chair, Ian Sharp - treasurer, Gavin Daubhrais, John Glancy, Daniel McMillan, Steven Almark, John McAndrew, Moira Bori – secretary

The meeting revolved around three main topics :

### **June Events –**

- 7 June Govan Fair Common Good Bike Fleet
  - Help required – making banners and flags for the bike fleet / any other ideas
- 8 June Elder Garden Bees and Thing
  - Help required – ideas for workshops – people able to commit to workshops & resources for workshops
- Summertime – Common Good Games – Elder park
  - Help required – Ideas, resouces and stewards

What became clear was that a list of persons able to help with any of these events is vital because people have grand ideas energy and money are spent and no one turns up

### **Containers**

- Arrival of containers would enable us to hold workshops / allow regular community members to store and design

### **Advance of the Project**

- John McAndrew brought a spark to the building upgrade project with his experience on the tall ships, skills and knowledge. We are looking for local traders who are qualified roofers to join the partnership
- Members were given a chance to swap and discuss ideas
